- (d) The accessible ramp on the Property has broken and uneven surfaces, resulting in vertical rises in excess of ¼" (one quarter inch) in height, in violation of section 405.4 of the 2010 ADAAG standards.
- (e) The Facility and Property have not been adequately maintained

in operable working condition for those features of facilities and equipment that are required to be readily accessible to and usable by persons with disabilities, in violation of section 28 C.F.R. § 36.211.

32. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Facility and Property.

33. Plaintiff requires an inspection of Facility and Property in order to determine all of the discriminatory conditions present at the Facility and Property in violation of the ADA.

Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Facility and Property, including those alleged herein.

40. Plaintiff's requested relief serves the public interest.

41. The benefit to Plaintiff and the public of the relief outweighs any

resulting detriment to Defendant.

43. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant to modify the Facility and Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:
